

The Office of the Clean City Invites You To A ...

Solar Trash Compactor Demonstration

July 21, 2010 @ 10 AM

Emery Recreation Center

5801 Georgia Ave., NW

The Office of the Clean City in the Executive Office of Mayor Adrian M. Fenty serves as the central point of contact within the Mayors initiative to clean up DC and maintain its cleanliness. We are working with BigBelly Solar for a demonstration of their Big Belly Solar powered trash compactors.

You can RSVP at keithd.jones@dc.gov. Please include your name, your organization, a contact number, and the number of people attending.
